On Wednesday October 11th we will hold our AGM in the Parish hall at 10.30am, if you have ideas for projects or events we would love to hear from you. Our small committee meets approximately quarterly to share plans and we would welcome some new ideas and or support, please contact me or come along on the day. The AGM will be followed by a presentation by John & Sheila Hepburn showing some of their latest photographs of the local area in times gone by. Our 2024 programme will be available.

A presentation on D Day will be part of our 2024 programme.

Len Howell describes his talk as follows:

On 6th June 1944, the Allies successfully landed on the beaches of Normandy, an act that would, a year later, lead to the end of WW2; but would these landings have been such a success without the massive deception campaign that preceded it.

The talk looks at the deception campaign itself together with how this came about.
