PS Ryan Chase

## Good Work Stories

On Tuesday 16<sup>th</sup> January 2024 PC Maybank and members of Neighbourhood Task Force conducted speed checks along Borden Lane, Borden. In an hour period 71 vehicles were speed checked. Of these 71 vehicles, 7 were travelling 31mph – 35mph, falling under the speed we'd consider prosecuting at as it allows for 10% difference between a vehicle speedometer and the speed gun we use. We then allow an extra 2mph, hence the expression most have heard of 10% +2. Anything above 35mph would get stopped. These vehicle details have all been taken and they will receive warning letters. Moving forward I have asked our Special Constabulary to assist by carrying out speed checks and I am hoping it will become a deterrent to speeding. Please feel free to advertise the fact we will be carrying out random speed checks.
