

Borden Heritage Report February report for BPC

Our February meeting in the Parish hall attracted a good group of parishioners to hear John and Sheila Hepburn's latest illustrated talk on Borden and Sittingbourne. We gained another 2 members. Next month we are going to visit a very local house of historic interest.

We are continuing to collect information on our History of the Borden Church choir, for our current project, this month we have been contacted by several members from the 50s and received photographs from the 1930s to add to our collection. Please ask your friends and family who may be able to pass us names and/ or photographs.

Our project to provide a bench seat in The Street is progressing well.

Please support our Quiz night planned for March 18th £5 per person,

Contact Eileen on 01795 479727 to book a table (max 8 people)
