Cricket

The new cricket league season has begun with some good results for the opening games of the Sunday cricket side which plays in the Kent Village League Division 3. Last Sundays home game witnessed a superb win against Eastchurch CC. This leaves the side currently second in the league table. The next home match will be played at 1.30 on Sunday 3rd July.

The Saturday cricket side will play occasional friendly matches due to the Lack of numbers available.

The cricket stats & club information particularly for new interested players can be viewed at www.borden.play-cricket.com

Anyone interested in playing regular cricket is asked to contact the cricket section via the details on the website.

Pavilion

An additional heavy duty socket has been installed on the electrics board which was required to assist events where there is an extra demand for electricity. This proved invaluable for this year's village fete when numerous stalls and performing acts made a heavy demand on the system. The installation was paid for by the fete committee having been approved at last month's parish council meeting.
