BHG report for Parish Council December 2025

'A War Time Christmas' was the subject of our December meeting

Julie Knight brought along lots of Christmas decorations, handmade gifts and other memorabilia of the 1940's.

Julie's tales of life during a Christmas in World War II brought back many memories for some members and confirmed for younger members their family stories.

Everyone is welcome to come along on January 8th to hear Wayne Perkins tell us about Historic Graffiti.

Following Wayne's presentation, you are invited to join us to walk across to St Peter and Paul Borden where Wayne will show us more and you are advised to bring a torch!
