October 2024 News for Borden Parish Council

Our AGM this month was followed by a ‘Show and Tell’ event. Members and guests brought along a huge variety of items to exhibit including a collection of silver items relating to sugar, a tool for lifting slates, a WW2 cycle lamp, books, documents, medals, and photographs of local people from the past.

On Wednesday November 13th 10.30am in The Parish hall John and Sheila Hepburn will be showing us ‘More Local Images’ from their vast collection.
