

BHG Report for BPC October 2022

This month some members paid a visit to Thatched Cottage. The tour was both interesting and informative. We discovered that the hall house is 800 years old and at one time it had been three cottages, farm workers had lived upstairs and kept their animals below.

On Wednesday 9th November we will meet in the Parish Hall, John and Sheila Hepburn will tell us about how the graves in the Churchyard were recently transcribed by members of Sittingbourne Museum.

The record book of the graves will be available to look through and we will hear the history of some of the people buried in Borden.

The meeting will start with a short AGM. Visitors are welcome to come along.
