Borden Nature Reserve

FOBNR meeting
30th September 2024 6.30pm
The Long Hop

Mike Baldock and I attended the above on behalf of the Parish Council. On the Agenda was the question of the Lease renewal. An explanation of the Tenancy at Will was given.

The Committee asked if the logo had been chosen by the Parish Council, which I explained was on this month's meeting, when a decision would hopefully be made. Also, they asked for an update on the new Bylaw's sign for the Nature Reserve.
