

We are grateful to Borden Parish Council for adding more secure fixings to the Commemorative Bench in The Street. BHG has ordered plaque for the bench commemorating the Coronation of King Charles III.

We recently visited The Court House Museum in Milton, where we enjoyed a very informative tour of a great variety of local history and memorabilia; entrance is free and I would highly recommend it as a worthwhile place to visit.

Thank you to everyone who supported our information tent and games at Borden Fete and special thanks to the volunteer members who gave their time and energy to put up the equipment and run the event.

At our August meeting we were treated to a talk on Kentish Folklore and the speaker was congratulated for continuing despite a power cut.

In September arrangements have been made to visit the site of the Raybel Barge currently being restored by volunteers at Milton Creek on the Retail behind McDonalds and Halfords.

Unfortunately our website is down we are working to restore it as soon as possible, our Facebook page is regularly updated.

Our 2024 programme is currently being put together and ideas for speakers, activities and future projects are welcome.

Local visits are usually free and we can arrange lifts if necessary, membership is currently £5 per year.

If you would like to know more about our activities or join us for any of our meetings or visits please give me a call.
