

## **BORDEN PARISH HALL REPORT JULY 2023**

1. The contractor has been asked to proceed with the gents' and disabled toilet refurbishment. Two clear periods of weekend lets have been given to the contractor, and I am awaiting the contractor's decision on the start date;
2. The commemorative bench for the Horticultural Society members has been placed at the end of the driveway in a safe area;
3. The community book exchange cabinet has been attached to the joint wall between Churchill House and the hall driveway.

John Hepburn

Chairman Borden Parish Hall
