Football

Borden Village Football club season is now complete with matches beginning again in the autumn.

The Sports Association would like to take this opportunity to publicly thank Jackson Contractors for providing the finance to purchase new football goal nets for the forthcoming football season and a box of twelve cricket balls for the cricket section. Their generosity is much appreciated by both sections of the association.

Pavilion

The pavilion and sports field played host last Tuesday to Borden CofE Primary School's summer sports day. The full facilities were provided which were greatly received. It is worthy of note that numerous complementary comments were made by staff and parents in relation to the pavilion amenities and quality of our sports field.
