BHG November news for Borden Parish Council

Dr Paul Wilkinson gave a very informative talk to members, at the November meeting, he shared records of a series of some important Roman villas through Kent along Watling Street.
Dr Wilkinson ended his talk by listing many of artefacts that have been found in Swale and are stored at the British Museum and elsewhere because we do not have a suitable Museum locally.

Sittingbourne's Christmas Past will be the subject of our meeting on Wednesday 9th December 10.30 am in the Parish Hall; Ann Sefton and John Hepburn will give us a nostalgic look at the festive season in Sittingbourne, through the decades, with images of old postcards, old newpapers and from the Sittingbourne Heritage Museum, We will look at the town's Christmas past, time travelling from Victorian shopkeepers adverts,Soldiers in WW1, to Christmas lights in the 1970s and 80s and much more besides**.**

Everyone is welcome to come along.
