

## **BORDEN PARISH HALL REPORT SEPTEMBER 2023**

1. The gents' toilet refurbishment has begun, and the disabled toilet is available during this period. The disabled toilet will be refurbished when the gents' toilet is available;
2. The tree situated in front of the plaque for Mrs. Bishop is now overhanging the pathway causing pedestrians to duck. The weight will have to be taken off the low branch to make it safe;
3. The minor repairs resulting from the annual electrical check have been carried out.
