Borden Parish Hall Report for BPC May 2026

The inside of the hall and its rooms will take place in July, in the meantime all hall users have been requested to remove items, that they have stored that are no longer in regular use, certain new items such as display cabinets are planned to be installed.

It is now a matter of urgency that new storage is found for the Parish Council records that are in the Barrow room and I have asked the Clerk to put this on the May agenda.
