BHG April report for BPC

Our April event at Ss Peter and Paul Church was a success, Helen Allinson shared records with us describing the monuments around the Church and the stories of the people mentioned. We were joined by a variety of guests from the Church and surrounding areas. Donations for Church funds amounted to £108.

Plans for our Archaeology Roadshow on Saturday May 16th are progressing well and we thank Swale Borough Council for their donation of from their Local Engagement funds.

> Heritage groups, including Sittingbourne Heritage Museum, Historical Research Group of Sittingbourne (HRGS), SWAT Archaeology, Commonwealth Graves Commission, Milton Court Hall Museum and others, will showcase some of their collections and knowledge at this event. Local residents are also invited to bring along their 'Finds' to display and or seek information.

We hope that all councillors will support the event.

2- 4pm Saturday 16th May in Borden Parish hall Refreshments will be available
