📢 Borden Parish Council Precept & Budget Notice 2025/26

The Parish Council has set its budget for the 2025/26 financial year with a continued commitment to supporting valued local services and facilities that benefit the whole community.

For the upcoming year, the precept will result in an **average increase of 5.28% for a Band D equivalent property**, equating to **approximately £1.39 per week**. This modest adjustment helps fund essential services such as the maintenance of public spaces, improvements to community facilities, and the delivery of local initiatives.

Importantly, this increase remains proportionate and responsible when considered alongside inflation rates at the time the budget was agreed. It reflects the Council's careful financial planning and dedication to sustaining and enhancing the quality of life in the parish.

By ensuring that local services remain effective, accessible, and well-managed, the Council aims to meet the evolving needs of our growing community while maintaining transparency and good governance.
