

COMMUNICATION SENT TO SWALE BOROUGH COUNCIL PLANNING REGARDING PLANNING  
COMMITTEE MEETING 6<sup>TH</sup> AUGUST 2024

I am unsure if you are the correct person to email about this, if not I would be grateful if you could forward it appropriately, so that there is awareness at the Planning Committee meeting on 6<sup>th</sup> August, as to why Borden Parish Council has not registered to speak on the below applications.

Borden Parish Council received the letters related to the below 3 planning applications on the afternoon of Tuesday 30<sup>th</sup> July. Unfortunately, given the timing of their arrival, and with the registration deadline for speaking set for Monday 5<sup>th</sup> August at 12:00 noon, there was not enough time to convene an extraordinary meeting to review the applications and any updates since our comments were submitted, to determine whether the Parish Council should register to speak about any of them at the Swale Planning Committee meeting on 6<sup>th</sup> August.

Can I please ask that for future Committee Meetings the Parish Council be provided with more advanced notice of applications due for Planning Committee review. This would enable them to hold the necessary discussions and make decisions about participating in the meetings, ensuring that they can adequately represent and support the interests of the community.

Kind Regards

Teresa Millum

Clerk to Borden Parish Council
