December 2025

Drop-in surgeries	Your local officer is Police Officer Marie Roostan

What's going on in your area

- The ward officer is PC Marie Roostan. Like all officers in the Community Safety Unit she works a shift pattern which means she may not always be able to attend the planned council meetings due to rest days but is happy to be contacted via the parish clerk with any issues and MCV can be utilised for contact directly.
- Tonight PS Clare McLean will be attending in her place to discuss issues.
- In the October 2025 a survey was sent to all members of Borden via MCV asking what the top 3 concerns were for residents.

  There was a low update on responses, however of the responses the top three priorities are:

  Road Safety Issue

  Theft Shoplifting

  Internet Cyber Crime

  **ROAD SAFETY ISSUES-

  2 responses on MCV with 1 location of Chestnut Street highlighted for speeding. Police system show repeated RTC's on Key Street.

  **THEFT SHOPLIFTING-

MCV is a two-way engagement tool brought to you by Kent Police

mycommunityvoicekent.co.uk

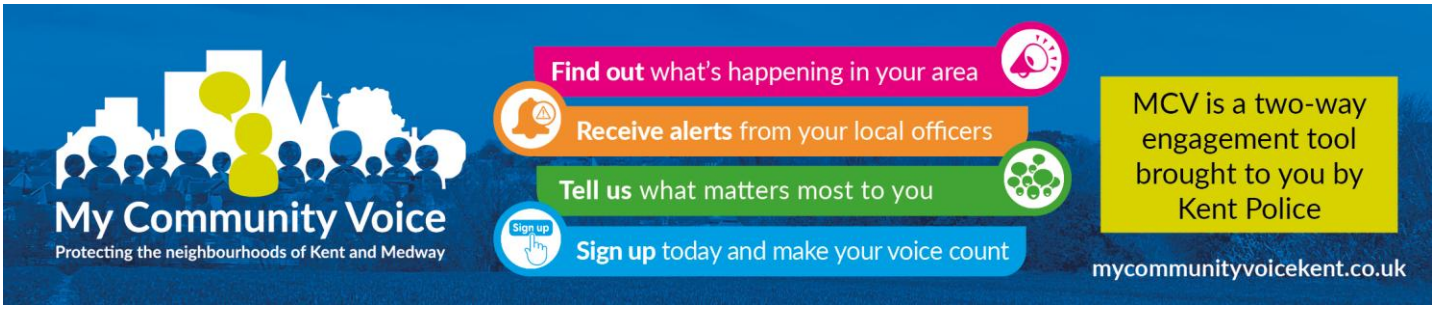
1 response on MCV with no specific location. Police system review show no calls in about theft shoplifting.

**INTERNET CYBER CRIME-

1 response on MCV with no specific location but the response mentions older people being targeted for online scams.

The priorities are being managed on a problem-solving package which include planned action for speed checks and traffic ops in the area.

Plans to engage with residents at surgeries with a fraud awareness officer to raise awareness of trending scams and ways to secure cyber devices. The use of The Pavilion was kindly offered for this. A date will be arranged shortly.

Any information regarding the above priorities can be forwarded to police on 101 or in an emergency 999.


- If there are any upcoming events or groups that you think would be useful for me to attend or take part in please contact the clerk who will be able to contact me by email.
