

BORDEN PARISH HALL REPORT JANUARY 2023

1. Quotes are being obtained for the refurbishment of the ladies' toilets as the first phase in the overall toilet facilities upgrade.
2. A demonstration has been arranged for a new floor cleaning machine which if satisfactory will be taken on a leased basis.
3. New ladders for general use in the Hall have been provided. The lightweight aluminium ladders have been engraved with "Borden Parish Hall" and safety instructions have been put up where they are stored.
4. The alarm and security system annual service has been arranged.
