Pavilion

The Knit & Natter group have made a kind donation of £167. The money will be used to purchase outside chairs for all pavilion users to utilise during appropriate weather. This purchase will further protect the main room chairs from being taken outside which has the potential to damage the rubber floor protectors on the end of each leg.

The Christmas lights switch on organised by the Fete Committee for Sunday 23rd November will utilise the pavilion. Sporting events have been scheduled to accommodate this event.
