

We were taken for a virtual trip along the Medway River during our November meeting. Steve Wood's presentation told us of the history and work of the wonderful 'Kingfisher Trust' and how it provides fully accessible boat trips along the Medway and is staffed entirely by volunteers.

A Long Cross Coin and other 'Finds' recently uncovered locally will be included in a talk by Bartek Chichy from Kent Archaeology on December 13th 10.30am Borden Parish Hall.

Our 2024 programme will be available next month.

Local visits are usually free and we can arrange lifts if necessary, membership is currently £5 per year Guests are welcome.

If you would like to know more about our activities or join us for any of our meetings or visits please come along or give me a call for further details.
