

## **May News for BPC**

We have two changes to our 2025 programme. As the Borden Fete will not be held this year we will not meet in July.

The subject and speaker for our December meeting has been changed, we will send out further details soon.

The exciting news is that as part of our 2026 programme we will be holding an 'Archaeology Road Show' in The Parish hall on Saturday May 16th, more details to follow.

Our recent guided tour of Sittingbourne High Street was very interesting and well supported; we followed the Sittingbourne trails of the South and North side of the High Street ably guided by Sally and Pauline who are both BHG members and volunteers of The Sittingbourne Museum.

We were encouraged to 'Look up' and many of us discovered interesting roof lines and windows that we had missed in the past.

Several members shared their personal memories of living and working in the area that rekindled thoughts of childhood, employment and shopping experiences.

Leaflets on both trails are available from The Sittingbourne Museum in the Forum [www.sittingbourne-museum.co.uk](http://www.sittingbourne-museum.co.uk)

We ended our tour with a visit to the Museum.
